2022 – 2026	Bachelor
Bucharest, Romania	<i>Faculty of Automatic Control and Computer Science, University Politehnica of Bucharest</i>
2018 – 2022	Mihai Eminescu National College
Bucharest, Romania	

Relevant Coursework

Object-Oriented Programming(C++), Computer Programming (C), Introduction to Operating Systems (Linux), Numerical Methods (MATLAB), JavaScript Course Udemy

Projects

2023	Zebra Hackathon 2023: 3rd place 🔗 <i>This was my first Hackathon and it managed to show me the power of teamwork by doing a website for GreenEnergy company. It helped me to think outside the box and was a crash course in collaboration, problem-solving, and thinking on our feet.</i>
2023	LanParty Homework 🔗 <i>I developed a LanParty Homework application in C, automating the team record-keeping process based on specific requirements. This experience enhanced my ability to efficiently manage and organize team data.</i>
2023	Broken Link Checker 🔗 <i>Collaborated with a team of four to create a Python-based broken link checker webiste, demonstrating effective teamwork and proficiency in programming for web development.</i>
2023	Portofolio Website 🔗 <i>Personal website with details about myself, links to my projects and contact by email section.</i>
